

IX International Colloquium of Philosophy and Education

[THEME] Philosophy and education in wandering: inventing school, infancy of thinking.

October 1ST - 5th, 2018

UERJ / Campus Maracanã, Rio de Janeiro, Brazil

What kind of proposals can be sent?

Two types of submission formats will be considered:

1. Workshops:

Each workshop will engage participants in experiences of thinking. Workshops will last two hours, consisting of two separate one hour thinking experiences.

2. Contributed Papers:

Only papers that have an explicit link with the themes of the Colloquium will be accepted. Sessions will be organized so that each presenter will be allotted ten minutes to present their paper and twenty minutes for discussion with the audience.

When?

From January 22TH to April 2TH, 2018.

How?

Submissions will require complete works and must be uploaded through this site

<http://filoeduc.org/9cife/>

Step by step:

1. Register with login and password (if do not have, fill the form);
2. Enter Title (Título), abstract (resumo) and three key-words (palavras-chave);
3. Upload your PDF file (no bigger than 4Mb) with the complete work;
4. Each autor can present just one paper with no more than 2 coauthors;
5. Each contributed paper should have between 25.000 and 45.000 characters with space. Title: bold, centered; name of autor(s), institution and email justified to the right. Proposals for workshops: same characteristics but between 15.000 and 25.000 words.

The proposals will be evaluated based on the criteria bellow:

- Relevance/ appeal for the fields of Philosophy and Education;
- Rich and consistent conceptual development in the formulation of problems;
- Clarity/ coherence in the presentation of theme or argument as well as methodological adequacy;
- Interchange of ideas with academic production in aforementioned fields;
- Originality and interesting contributions to the fields of Philosophy and Education.

Doubts or Comments: 9cife@filoeduc.org.

Notification of acceptance will be given before June 4TH, 2018.
